

Stem Cell Seminar Series

Spring 2009

Mondays, 4:00-5:00 pm,
2117 MERF

Sponsored By:

Interdisciplinary Graduate
Program In

GENETICS

March 2

M. William Lensch, PhD

Harvard Medical School
Pluripotency and Cellular
Reprogramming

March 23

Andrew French, PhD

Stemagen
Industrial use
of stem cells

March 30

Rebecca Morris, PhD

The Hormel Institute
Tumors from Epidermal
Stem Cells

April 6

Sean Morrison, PhD

University of Michigan
Stem cell self-renewal

April 13

Norman Sharpless, MD

Univ. North Carolina
Intrinsic Stem Cell Aging

April 27

**Miguel Ramalho-Santos,
PhD**

UCSF
Transcriptional profiling
of stem cells
